A place to converse, share thoughts and ideas

Read the paper in good company!

The place where local politics and good government begin.

From **11:00** in the morning until **Done**.

July 11, 2015 - Join us for Brunch for:

A Presentation By Scott A. Boman, A Harrowing Campaign Experience!

Scotty Boman Is a college professor, and perennial candidate, who was convicted of trespassing at his own work site. This was done in retaliation for his efforts to document campaign violations by the incumbent Detroit City Clerk Janice Winfrey. At the time of his arrest, Boman suffered long-term injuries at the hands of Wayne County Community College District Police who not only stopped him from taking pictures, but also prevented him from campaigning alongside other candidates.

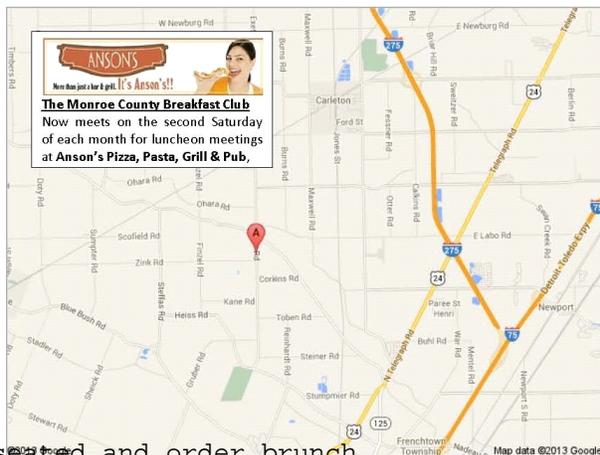

The entire incident was within range of security cameras, but all video evidence was destroyed. Boman's assailant, Olivia Moss-Fort was given a promotion by the college. In court she presented false documents and was shown to have perjured herself in the course of testifying against Boman. In spite of the lack of credible testimony against him, and the fact that the statute was not applicable to the context, Judge Roberta Archer found him guilty. An appeal is in progress. Learn the details of this surreal case at the Monroe County Breakfast Club Brunch.

At: Anson's Pizza, Pasta, Grill and Pub
Formerly known as the Red Horse Inn
9811 Exeter Rd., Carleton, Mi 48117

The Monroe County Breakfast Club in Carleton will be held in the usual place, **Anson's Pizza, Pasta, Gill & Pub** At this month's meeting, we will be hosting Scotty Boman.

Scotty Boman first became involved with the Republican Party through the Ron Paul campaign. He was elected precinct delegate in 2009. He was re-elected to that post in 2010. He has served as a Republican State Convention delegate in 2009 and 2010. He was an alternate delegate to the 2011 Republican State Convention where he announced the formation of the Committee to Elect Scotty Boman.

However, most of Scotty's political activity has been with the Libertarian Party. Scotty is proud of his background with this party and is open to any avenue that will further the cause of liberty. He ran for United States Senate as a Libertarian in 2008. He came in a distant third, Boman suspects major parties, rather than opposition to his agenda, to be the cause of this defeat. Boman suspects the results would be different for a major party candidate with the same views. The validity of this suspicion is an item for this committee to investigate.

Scotty has been a Libertarian candidate in every statewide partisan election since 1994. In 1997, his candidacy for Detroit City Council was endorsed by the Detroit News.

Professionally, Scotty has been an educator for 19 years. Currently, he works as a Physics instructor at Wayne County Community College and as an Astronomy instructor at Macomb Community College. Scotty also substitute teaches in a few local school districts.

Scotty received his B.S. from Western Michigan University in 1985, with a double major in Physics and Philosophy and a minor in Mathematics. He earned an M.A. in Physics from Western two years later, and an additional graduate degree from Wayne State University in 1999. Scotty was born in Detroit where he continues to live today.
